MINUTES:

FINANCIAL REPORT:

Checkbook: Current balance \$3,441.01

REQUESTS:

Due to low attendance (meeting moved from standard meeting time to Wednesday) – we are unable to vote to approve any requests at this meeting.

COMMITTEE REPORTS:

Program Books: we are good to go. New on the program books for this season is Applebee's, US Bank and Graif's.

Cougar Cards/Scarlet Saver: Next year we need more help for counting. Also for next year – we will have to pay to have the cards printed. They have been a donation from Carlson Craft up to this point. We will need to budget approximately \$400 for this. Sr. High athletics turn in the Cougar Cards on August 27.

Web Page/Facebook: No updates.

Golf Tourney: A small committee may still organize a tournament for this fall.

Membership/Sponsorship: Nothing new.

Cougar Wear/Cougar Den: Large bill due to beginning-of-year start-up costs. It's a bit of a surprise but now we will be able to budget for this in future years. The bill is for \$14,732.34. We will pay as much of the bill as we can at this time and pay the remainder when funds start coming in from memberships, sponsorships, Cougar wear sales, and Cougar Card sales.

Marketing: Nothing.

OLD BUSINESS:

None

NEW BUSINESS:

We need board members to plan ahead. We need to have good attendance at each meeting. At this meeting there weren't enough people to vote on any requests.
