REQUESTS:

Request submitted for training supplies for start-up at \$2,500. *M/S/P – Blaine/Jean*

COMMITTEE REPORTS:

Program Books: Mr. Waterbury is on schedule for program books.

Cougar Cards/Scarlet Saver: \$30K is the goal and we are on track to reach that (Blaine/Paula).

Web Page/Facebook: Keep sending updates to Jill.

Golf Tourney: We were approached by 3 supporters to coordinate a tournament on 10-7-12. John and Todd will be coordinating with the three volunteers. Cost to us right now would be \$23/golfer. They will try to talk golf club into throwing in a sleeve of balls or other small gift to give golfers. Another thought was to go with a t-shirt for everyone vs a gift for all. Golfer fees would be \$50 per golfer with students charged \$35.

Membership/Sponsorship: Response so far is low with only 11 members. Sponsors low as well. Dawn Makovsky will join this committee. Club will sell at the Friday night football game. Be there at 6:30pm for set up.

Cougar Wear/Cougar Den: About \$6K in sales this year. Kim L is working hard to make this a success. Committee still working through learning curve issues to make sales work for this. Events with Jr High attendance are big for sales. We brought in about \$2K in sales over conferences. We are looking for assistance in the Cougar Den Homecoming week. We have the new list of volunteers from the membership campaign and will start making connections. Lisa also handed out volunteer needs for selling apparel – trying to evaluate what are good events for sales. We need to make announcements to let folks know where we will be. \$3,047 needed to replenish inventory. NOTE – our supplier gives us 10% back off of our order pricing. Motion made to approve \$3,047 for additional purchases by committee – *M/S/P –*
